Vote for Rucker for Congress.

Democrats, do your part next Tuesday.

Vote for McClintic for State Senator.

Elliott W. Major is the best man in the field for Governor and should be elected.

The only way to get the tariff revised right is to elect Wilson and a Democratic Congress.

The proposed Single Tax Amendment is not in the interests of the people. Vote No.

Revise the tariff laws so that they will not make the few people prosperous at the expense of the many.

Again our Republican friends are trying to fool the people by their revision downward of the tariff

plank. Taft had opportunities to sign downward revision bills and vetoed them.

Every Democrat should go to the primary next Tuesday and vote for the men whom he thinks will make the best officers.

Next Tuesday the battle for the nomination of Democracy's candidates closes. After that will come the real battle with the enemy.

No Democrat should fail to do his duty next Tuesday. Go to the polls and help nominate good men for every position.

A vote for Perry Rader for Judge of the Supreme Court Division No. 1 is a vote for a most excellent christian gentleman and a lawyer of acknowledged ability.

A comparison of the official records of Rucker and Whitecotton clearly proves that Rucker is the man for the voters of the Second Congressional district to elect as Congressman.

Every Democrat should do his part toward securing a strong ticket. Major is the man who will carry the most votes at the November election, and when elected would make the best Governor. Help increase his majority next Tuesday.

It is fitting and right that the German American be recognized with a place on the Democratic ticket when such men as Christian F. Schneider offers themselves as candidates. Mr. Schneider is a candidate for the St. Louis Court of Appeals and you should cast your vote for him.

Every good man in Missouri who affiliates with the Republican party should go to the primary next Tuesday and vote for the best men who are candidates on the Republican ticket. If our Republican friends do this and nominate clean men to fill the offices then even though Missouri should go Republican she will have good men in office.

Fellow Democrats, several candidates are in the field for the several offices. We have our favorites, you have your preferences. We do not agree all along the line as to whom should be nominated. We have made a clean fight for those we hope to see nominated, but should we be in the minority will work to help elect the successful candidates. We hope all Democrats have this spirit and that after next Tuesday all will put their shoulders to the wheel and fight valiantly to help elect the Democratic nominated Tuesday, Aug. 6. In this way, and in this way only, can we hope to elect Democrats to office. Good men will be nominated to fill every office and the ticket as nominated will deserve the hearty support of every Democrat. Our national ticket is composed of good men and true and the State and County ticket will be worthy the support of any good citizen.

Indications now are that Wilson and Marshall are going to be elected President and Vice-President respectively. In that case there will be much work for congress to do and that body should be composed of tried and true men in order to meet the many responsibilities that will fall on that body. Then if by any chance our Republican or Bull Moose friends should win Democracy will need strong men to cope with them and hold for the rights of mankind. For these reasons the Second Congressional District should do its part and should return Congressman Rucker by an overwhelming majority. He has been tried and found true. No man in the House has accomplished more than has Rucker. He is always found on the side of right fighting the battles of the people and he has proven that he has the ability, the courage, the honesty necessary in a man to truly represent this district in Congress.

Vote right Tuesday.

Chautauquas are on.

Miss Bab Bell is visiting in Hannibal.

McClintic is a good man for State Senator.

Help increase McClintic's majority Tuesday.

R. S. McClintic is the man for State Senator.

Candidates should get their boats ready for Tuesday.

The Bull Moose party is to meet at Chicago Monday.

Herman Levy has bought a Hudson 33 car. It is a beauty.

See those beautiful dishes at the Economy Store. Prices right.

Dr. McNutt reports the arrival of a girl at the home of Charles Mosyers.

Mrs. O. R. Emerson of Barry, Ill., is visiting her son, O. R. Emerson of this city.

You are voting right when you vote for R. S. McClintic for State Senator.

The Mikado of Japan died Tuesday of Brights disease. He ruled Japan for 44 years.

The Democrat has been quite busy on job work but is ready for more. We give satisfaction.

Monroe County should give Rucker a big majority and thus do as the other counties of the District.

Rain is badly needed. Corn is now in a critical stage and continued dry weather will greatly cut down the yield.

Cast your vote for J. R. B. Kidd for Constable next Tuesday. Col. Kidd has the ability and backbone necessary to make a good officer.

Mesdames G. T. Lear and C. R. Dinwiddie of near Philadelphia took the train here yesterday for Clarence where they will visit friends.

Our good friend Bert Norton is being mentioned as the Bull Moose candidate for Governor. He was chairman of the Convention at K. C.

Tom Morris of Mexico, came over last week for a Ford touring car which he took home with him. The Monroe City Auto Co. were the only agency able to furnish this car.

Rank Cowardice. It is cowardice to wish to get rid of everything which we do not like. Sickness and sorrow only exist to further man's education in this world; they will not be needed in the future. —Novolai
